## About

### [Fraud and error.jpg](#) [1]

#### **Context:**

Fraud and error is a constant threat, with public sector fraud losses estimated to be over £40 billion. The 2019 Fighting Fraud and Eliminating Error in the Public Sector Summit will take a look at the latest commitments, strategies and technologies used to detect, prevent and tackle fraud: ensuring taxpayers' money is spent on delivering essential public services to those who really need it.

#### **Key points for 2019 include:**

- Sharing, protecting and analysing data successfully
- Innovation in fighting public sector fraud
- The Government Counter Fraud Profession: transforming public sector counter fraud activity
- Next steps for the National Fraud Initiative
- New approaches to identifying fraudsters

#### **Who attends?**

- Audit Managers
- Directors of Information Security
- Directors of Risk and Audit
- Directors of Security
- Head of Business Crime
- Heads of Corporate Security
- Heads of Counter Fraud

- Heads of Cyber Security
- Heads of Governance
- Heads of Grants
- Heads of Procurement
- Heads of Revenues and Benefit
- Heads of Security Solutions
- Heads of Investigations

**Certification:**

- Dods is a registered Continuing Professional Development provider. For more information on the CPD, please [click here](#) [2].
